THE COTSWOLD BREWING COMPANY

The Jam Factory loves the Cotswold Brewing Company. An independent producer of lager and speciality beers, established in 2005 by Richard and Emma Keene. Based in the small hamlet of Foscot, Oxfordshire, the brewery is housed in an old Cotswold stone farm building, part of a working farm estate. The brewery equipment originated from a microbrewery pub in New York and was shipped over in eight containers for installation in May 2005.
